

What is a Poster Spotlight Presentation?

- A summary of your poster's highlights in a brief live presentation
- You have 5 minutes (4 min presentation and 1 min Q&A)
 - Title: 15 sec.
 - State of the art: 1 min.
 - No general introduction: focus on the established knowledge that is necessary to understand your spotlight presentation
 - Summarise the main results (1 or 2 slides) with pictures and limited text: 2 min.
 - Conclusion/take-home message: 45 sec.
 - Q&A: 1 min.
- Be concise: encourage the audience to go to your poster in the exhibition area for further details

Slide 1: Title (15 sec)

- Authors' list
- Affiliation

Slide 2: Background Data/Introduction (1 min)

- Summarise the question or hypothesis to be addressed: not a literature review
- Describe the overall approach you used to address the question

Slide 3: Research Results (2 min)

- List main results in one telegraphic bullet point list
- Add figures and pictures
- Not all elements of your results have to be on these slides.

Slide 4: Conclusion (45 sec)

- Take-home message
- Add # of the poster
- If necessary: mention acknowledgements
